Tuesday - 15 October 1974

25X1 [redacted]

25X1 1. [redacted] Received a call from Mr. H. W. Wolff, Foreign Affairs Section, Congressional Reference Service, Library of Congress, who said he had a request from a member (a senator) concerning Ramsey Clark's statements in Hanoi. Wolff said tapes were made of those statements and the tapes, of course, would be unclassified since Clark was not a Government official at that time. He said the Senator indicated the tapes were turned over to the Agency. Wolff said they would like an authentic transcript of these tapes if possible. I told him I would check into this and have someone call him.

25X1 2. [redacted] Called Bill Dixon, House Judiciary Committee staff, and told him the formulation that he, Jerry Zeifman (General Counsel of the Committee) and I had worked out last Friday for their letter to us on the 25X1 [redacted] matter seemed like a reasonable approach to our people. He said he already had the letter drafted but it might be several days before it reaches us. I told him I would be away for several weeks but that [redacted] was 25X1 fully read in on the matter and would be glad to pick up on it. Dixon said he will not be the staff man who comes out to the Agency to talk with us about our material but he will let us know who is.

STATOTHR 3. [redacted] Met with Clark McFadden, General Counsel of the Senate Armed Services Committee, and worked out arrangements for our trip to the Far East next week.

STATOTHR 4. [redacted] Jack Ticer, Senate Armed Services Committee staff, loaned me a copy of some material that was left with them by [redacted] 25X1 [redacted] whom Ticer described as a nuisance and fanatic on the subject of CIA. I told Ticer I would make a copy of the material and return his copy to him.

25X1 5. [redacted] Received a call from Candy Appleton, in the office of Representative Bella S. Abzug (D., N.Y.), who asked if the Agency had any contracts with [redacted] In response to my query, she said she was checking a number of government agencies on this for a constituent and I said I would check and see and call her back.
